

Waste Reduction Week Spotlight: Food Waste

Love Food Hate Waste Canada

- A behaviour change campaign modelled after a proven model founded in the UK.
- Works with businesses, governments, & community groups to inspire & empower people to make their food go further and waste less.

Facts About Food Waste

Canadians on average throw out **170 kg** of food per year, according to a report by the Commission for Environmental Cooperation.

One third of all food produced globally is wasted; in Canada **47%** of food waste can be attributed to households.

Over **60%** of the food Canadians throw away could have been eaten, according to research conducted by the National Zero Waste Council.

What You Can Do to Reduce Food Waste:

- **Store it properly** to keep it fresh!
- **Use it up** before getting more!
- **Plan meals out** and shop smart!
