

# Waste Reduction Week Spotlight: West Coast Reduction

**WEST COAST**  
REDUCTION LTD.

## About West Coast Reduction

Western Canada's largest independent rendering company.

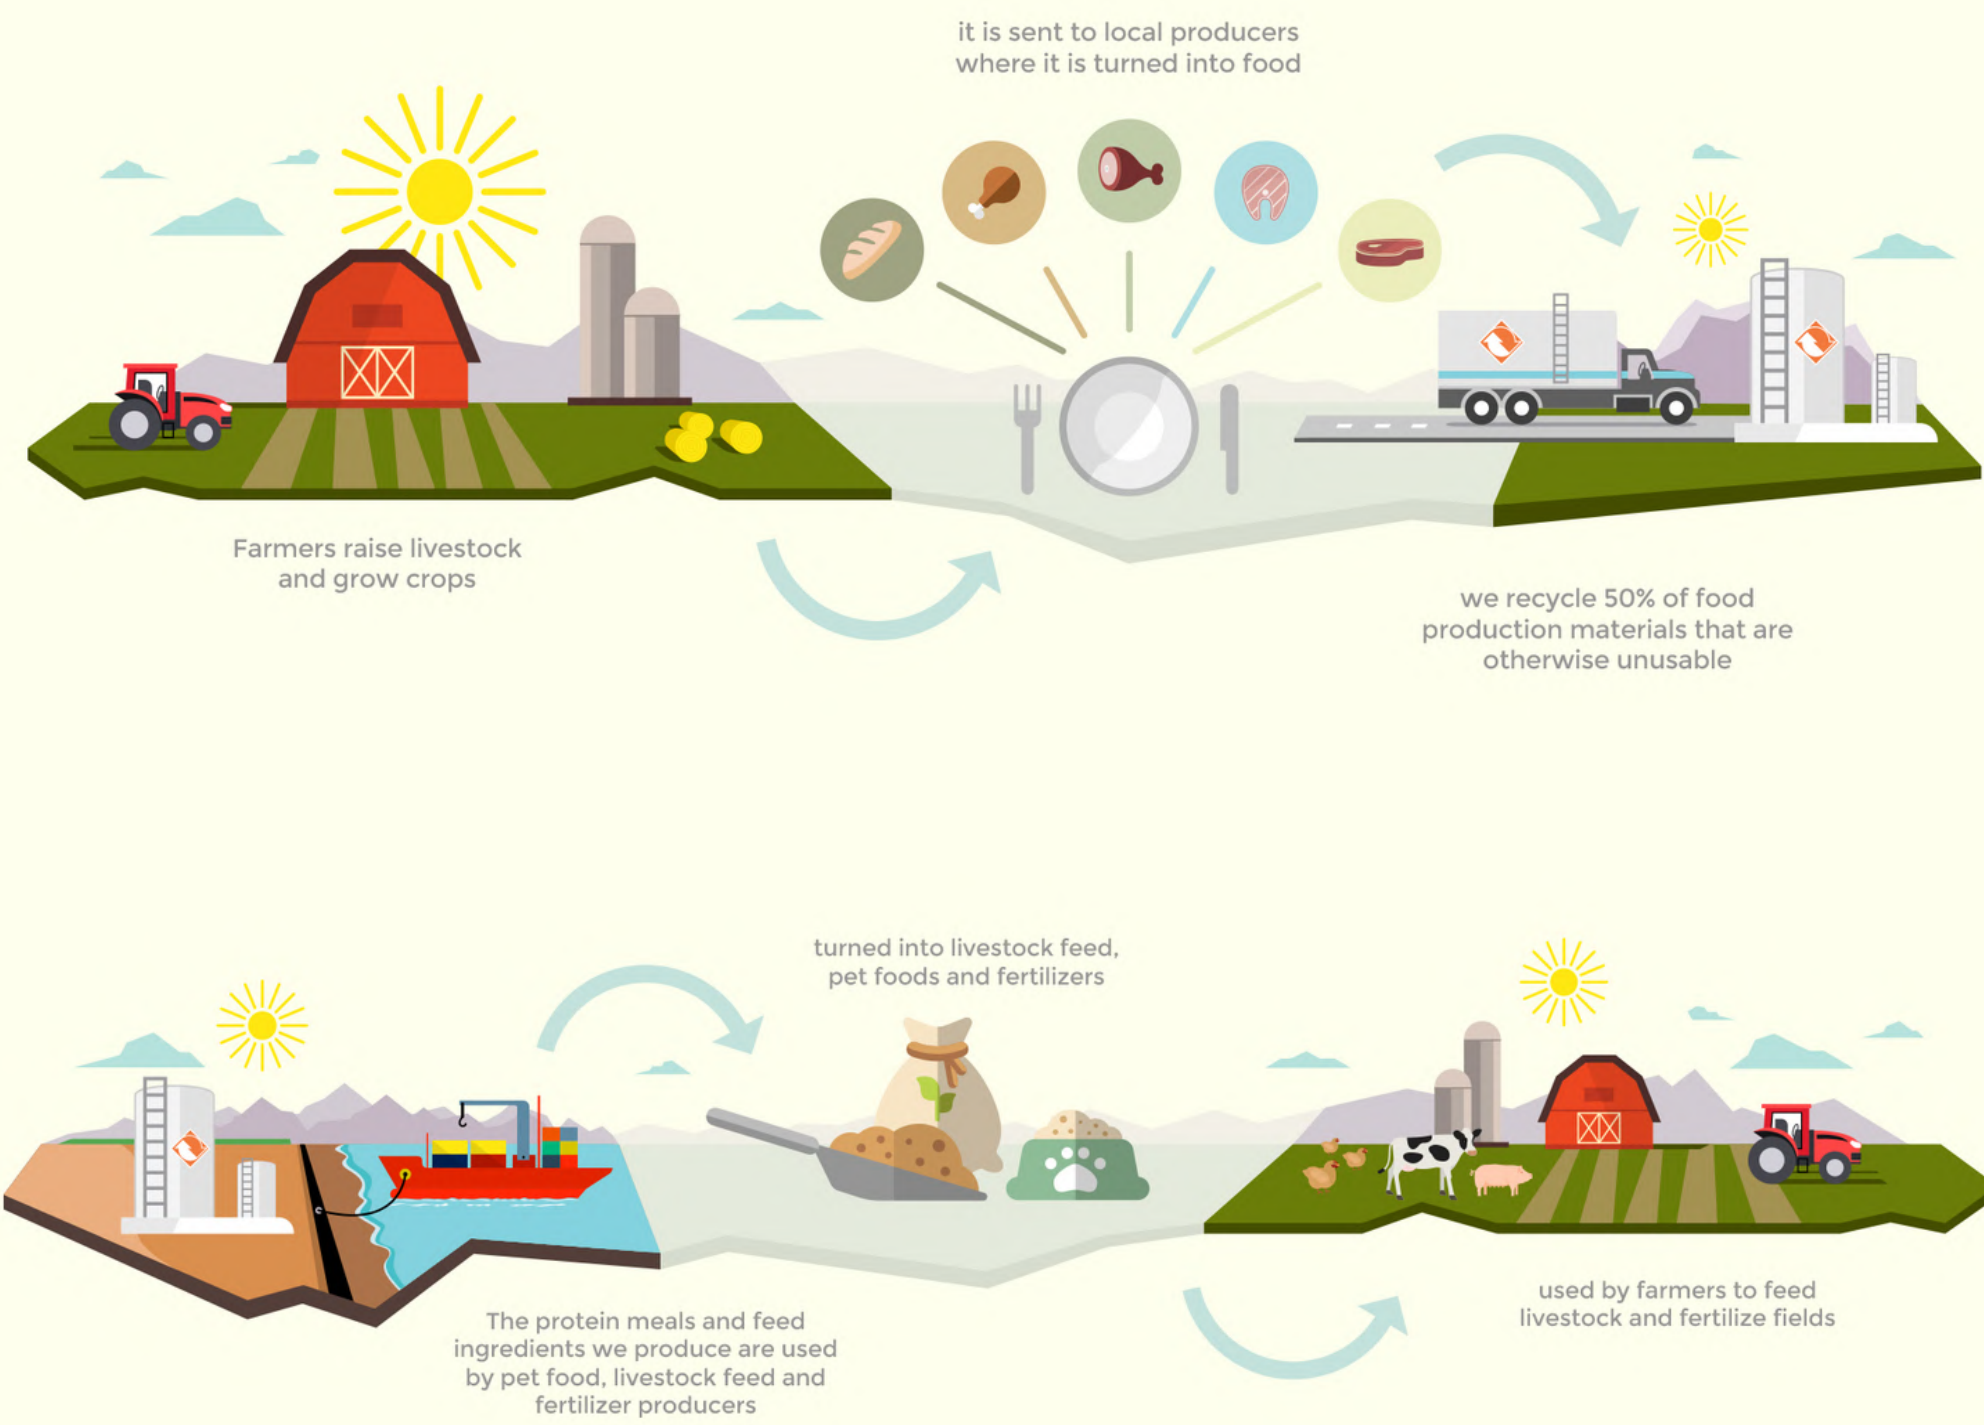

Collector of food waste and byproducts from producers like restaurants, supermarkets and farms.

Transforms unwanted materials into ingredients used in renewable energy, animal feed, and everyday products.

## From Farm to Plant...

## ...then Plant Back to Farm!

## Finding a Place in the Food Waste Hierarchy

### Impact

- Annual diversion of **1.2 billion pounds of raw materials**.
- 62 million pounds** of used cooking oil recycled & processed.
- Rendering these materials leads to a reduction of **320,000 tonnes of annual GHG emissions**.
